UNITED STATES DISTRICT COURT FOR THE NORTHERN DISTRICT OF ILLINOIS LAUNCHES NEW MOBILE WEB APPLICATION

CHICAGO – The United States District Court for the Northern District of Illinois is pleased to announce a new web app that can be installed on any mobile or tablet device. The new web app will provide mobile users up-to-date information on daily court schedules, recently filed cases, and the latest court news. In addition, the new web app provides information pertaining to judges' motion schedules, chambers and Clerk's Office contact phone numbers, fee schedules, and attorney handbooks and bar registration information. The Northern District of Illinois's development of a mobile web app is believed to be the first in the federal judiciary that is compatible with most mobile phones and tablet devices. In the near future, we will be introducing an iOS app that can be downloaded from iTunes.
